Victor Rentea

PhD(CS), CS Department, Polytechnic University of Bucharest

Java EE 6 Enterprise Architect	SQL Expert	EJB	Web Services	Servlets	Java	Scrum Master I (scrum.org)

Fluent in Romanian, English and Spanish (DELE C1); Reading in French

Teaching Experience

Since 2013, trained 1000+ developers over 1500+ hours, on topics like*:

- Clean Code • Spring • JavaEE/CDI • Design Patterns • Java8 • Java Performance & Tuning • Architectures

Teaching "Design Patterns" each year as part of the OOP course at CS Dept UPB, since 2013

Held 2 Bucharest JUGs and 1 Coding Dojo

Spoke at: DevooxPL, JPoint, JEEConf, jPrime, Voxxed*

Professional Experience

2011 - now: Sr. Software Engineer, Architect, Team Lead at **IBM Romania**
 Lead, Designed & Implemented, among others (latest first):

- **CORE(5), REGLISS(6)**: 1st XP projects in IBM-BNPP: TDD, pair programming, emerging architecture
- **LINK** (5 devs): Pilot project for the Domain-Driven Architecture envisioned by BNPP
- **COSI** (3 devs): 1st batch-centric application by IBM for BNPP; no previous example; huge data: 300M lines
- **EP** (8 devs): 1st Web App, 1st Single Page App, 1st Agile-driven project implemented by IBM for BNPP; no previous app example to reuse; hard deadline to avoid fees, rigid mindset, client confidence previously challenged
- Implemented REST endpoints as part of a 4-year SOA Program (**EXCELL**) using TDD, Continuous Delivery, for

2006 - 2011: Java & JavaScript Developer at [Kepler-Rominfo](http://www.kepler-rominfo.ro)

- **Web Service Expert**, lead the adoption of WSDL-based web services for our client, Givaudan: established usage patterns, best practices, common XSD data types, wrote a companion Java library and held internal trainings.
- Started an internal library of web UI components, jQuery + Ajax.

- Algorithmic Skills (tested at Google/Facebook interviews😊)
- Other languages: JavaScript, C++, Scala, Groovy, Lisp, Haskell, etc
- Passions: Training/Coaching, Mountain Trekking, Trips. Proud father.

* Please find the full training agenda, up-to-date metrics, feedback statistics and client opinions on <http://victorrentea.ro>, along my conference talks list
